

# GOODYEAR STEM CAREER DAY

**Join Goodyear's Science, Technology, Engineering and Math (STEM) Career Day and discover more about professions in this space with presentations, a Rube Goldberg Machine Contest® and professional mentoring.**

## STEM Career Day

Saturday, Jan. 23, 2027
Firestone CLC

Open to students grade 6-12

**Register to attend at *stemcareerday.goodyear.com***

## Rube Goldberg Machine Contest®

Design a clever Rube Goldberg Machine®, utilizing STEM principles, to accomplish a task in a fun way!

Students may participate as part of a school or group to win great prizes, including significant STEM grant money.

**Registration and more information available at *stemcareerday.goodyear.com*.**

**Applications due Jan. 11, 2027.**

## Scholarship Opportunities

Goodyear is funding scholarships for students who attend an accredited college or university program to pursue a bachelor's degree in a Goodyear STEM discipline.

**More information, including how to apply, is available on *stemcareerday.goodyear.com*.**
